Who We Are.

Birkby Food Service is an Alberta based food delivery company that has mastered the task to the delight of customers and vendors alike. Founded in Chatham, Ontario during the year 1918, Birkby Food Service is family-run, owned and operated and always looks to bring those traditional values and friendly atmosphere to the business table.

Our well-trained fleet of delivery truck drivers pride themselves on being personable, timely and developing a memorable rapport with our clients and vendors. In addition, our office staff is extremely capable, friendly and always willing to take your call.

It doesn't matter what you're looking for, we have a huge selection of dairy products and frozen goods. Birkby Food Service has what you need and prides itself on a willingness to get it to wherever it needs to be.

Arctic Glacier's filtration process takes regular city water and transforms it into "bottled water quality" purified water. The water is initially filtered through carbon filters and is then processed through water softeners.

As water is the only ingredient to make ice, the quality should be monitored just like any other food product. At Arctic Glacier, this process is conducted on a weekly basis instead of monthly or even annually as usually required.

God Father Espresso

MEDIUM ROAST

Thick caramel aromas, with milk chocolate and sweet flavors. Well balanced body with a lingering caramel aftertaste.

Acid Jazz

LIGHT ROAST

Sweet candied aromas with a red apple sweetness and clean syrupy body.

Colombian

NATURAL DECAF

A nutty aroma with a dark chocolate taste, a heavy body that finishes very clean.

French Saigon Dark

DARK ROAST

Rich aromas and dark chocolate flavors finish with a buttery clean mouth feel. Very smooth.

Mocca Arabica

MEDIUM ROAST

Sweet molasses with coriander flavours, a creamy body with a slight smoky after taste.

Guatemala

LIGHT ROAST

Direct Trade, Single Estate offering with flavours of brown sugar and white chocolate. Green grape acidity finishes thick and clean.
